

**Domaine Alpine Homeowners Association**  
**Annual General Meeting, Saturday September 5, 2020, 10:00 am**

---

Good day to everyone,

As you are all aware, the coronavirus was declared a pandemic last March. Tens of thousands of people were contaminated in Quebec and, unfortunately, several thousand people died as a result.

The Board of Directors of your Association has made it its duty to ensure compliance with the health instructions and directives issued by our governments.

In order to protect the health of our members, we decided to postpone the annual meeting that was scheduled for June and have cancelled all activities and gatherings for the summer season.

Considering that, for the time being, the spread of the coronavirus seems to be under control, it is now possible for us to hold the annual meeting of the active members of the Association in accordance with the government guidelines. An aide-memoire produced by the Government of Quebec summarizing the main instructions and measures is attached to this e-mail.
